Dear Ramos Law Firm :

The purpose of this letter is to extend our offer of \$74,000.00 in settlement of your client's claim.

I tried reaching your office, at this time I am re-iterating my offer, that is the value we have placed. We have considered all treatment, wanted to discuss if I am missing anything as our values are very far apart.

Please consider my offer and contact me at your earliest convenience. I look forward to concluding this matter in the near future.

Mobilitas General Insurance Company is committed to fairness and accuracy. Should you have any questions about this claim, please don't hesitate to contact me.

Sincerely,

Gisela Orquiz
