Re: **Our Client:** *Theodore James Angel*
 Your Insured: *Hope Hinkson*
 Date of Incident: *February 23, 2023*
 Claim #: *2300083609*

Dear Ms. Orquiz:

We received your offer to resolve this claim of \$52,100.00. As this offer is far below the past medical bills incurred, your offer is rejected.

In your letter, you state that you considered total medical bills of \$43,082.40, at usual and customary pricing. We do not accept, and nor will we negotiate, from a standpoint where the medical bills incurred are reduced at the discretion of the insurance company. Unless and until you provide the legal support for the reductions, we will only consider the full amount of the past bills incurred, which is \$60,774.91. This is the figure from which the negotiations begin.

We are authorized to reduce our demand to \$180,000.00. We look forward to your response.

Thank you,

Marianne Garrison
