Help About This Page

Enter data related to the accident/incident. This information will be validated to ensure the case does not already exist and that the data meets the criteria for creating a case. Once the case is successfully submitted, a case will be created where the beneficiary is the debtor, and the Rights and Responsibilities letter will be generated and mailed. The only entities who will be able to take an action on this case will be the beneficiary and their authorized representatives.

Click **Continue** to proceed. Click **Cancel** to return to the Account List page without submitting the new case.
